Family School Community Partnership Issues
Offers scholars, students, and practitioners important new knowledge about how current policies impact families, schools, and community partnerships. The book’s authors share a critical orientation towards policy and policy research and invite readers to think differently about what policy is, who policymakers are, and what policy can achieve.

SCHOOL AND SOCIETY
Fifth Edition
Walter Feinberg & Jonas F. Soltis
2009 168pp, illustrations
9780807749852 Paperback £27.95 / €33.00

Thinking About Education
Do schools socialize students to become productive workers? Does schooling reproduce social class and pass on ethnic and gender biases? Can a teacher avoid passing on social and cultural values? What besides subjects do students really learn in schools? This book tackles these questions.

WHAT WORKS MAY HURT
Side Effects in Education
Yong Zhao
