STILL A HOLLOW HOPE
State Power and the Second Amendment
Anthony D. Cooling
The US Supreme Court increasingly matters in American political life when those across the political spectrum look at the Court for relief from policies they oppose and as another venue for advancing their own policy agendas. However, the evidence is mounting that courts are more of a sideshow to the culture war.

THE CONSTITUTION OF THE UNITED STATES
Fourth Edition
Michael Stokes Paulsen et al
University Casebook Series
Emphasises the text, structure, and history of the Constitution.
This casebook uses ‘great cases’ for learning the major issues in
constitutional law, and it gives less attention to small ripples
of contemporary doctrine. It also emphasises the task of
interpretation, including many examples of the interpretation by
the political branches.

CONSTITUTIONAL LAW
An Integrated Approach
Richard D. Friedman & Julian Davis Mortenson
Doctrine and Practice Series
Combines thick historical context with serious exploration of doctrine on its own terms, thereby achieving a rare balance of accessibility and depth. Excerpts have been pared down with a scalpel; cases and documents speak for themselves; and the editors' text and notes prioritise clarity over bloat.

Since first appearing in 2002, The Redbook has established itself as the go-to source for all questions of legal style. This fourth edition has lots of new material, including an especially helpful new chapter on handling quotations. The two exhaustive indexes (word and subject), plus the detailed table of contents, make it easy to find authoritative guidance within seconds, whatever the question might be.

- The book is a one-of-a-kind resource - the legal writer’s equivalent of The AP Stylebook or The Chicago Manual of Style.
- The author is the most frequently cited author in opinions of the US Supreme Court.

Also available with Quizzing

The author has created over 350 multiple-choice questions tied to the fourth edition. The sophisticated user interface provides students with many useful options:

- Track progress through questions.
- View results after completing a quiz.
- Mark specific questions for further review.
- Retake a quiz any number of times.
- Link to explanations within the book.

Communicating about the law in writing, whether in emails, texts, or in team and group settings, will only increase in importance when there are fewer opportunities to explain yourself orally and in-person to clients, colleagues, bosses, and other decision makers. The authors have adapted and updated this text with these developments in mind.
